Andrzej Dworak  
*Centre of Polymer and Carbon Materials,  
Polish Academy of Sciences*

## SCIENTIFIC COMMITTEE

Jerzy Błażejowski  
*Polish Chemical Society*

Krystyna Czaja  
*Opole University/Polish Chemical Society – Opole Branch*

Zbigniew Florjańczyk  
*Warsaw University of Technology*

Janusz Jurczak  
*Institute of Organic Chemistry, Polish Academy of Sciences*

Janusz Kasperczyk  
*Centre of Polymer and Carbon Materials,  
Polish Academy of Sciences*

Marek Kowalczyk  
*Centre of Polymer and Carbon Materials,  
Polish Academy of Sciences*

Janusz Lipkowski  
*Committee of Chemistry, Polish Academy of Sciences*

Stanisław Słomkowski  
*Centre of Molecular and Macromolecular Studies,  
Polish Academy of Sciences*

Barbara Trzebicka  
*Centre of Polymer and Carbon Materials,  
Polish Academy of Sciences*

Krzysztof Walczak  
*Silesian University of Technology*

Piotr Wieczorek  
*Opole University*

## AIM AND SCOPE

The meeting continues the tradition of scientific debates in Silesia on polymer materials: International Polymer Seminars (GSP), held biannually from 1995 to 2008, meeting "Polymers on the Odra River" POLYOR 2011 and held in 2014 "Silesian Meetings on Polymer Materials" POLYMAT60.

In 2016, the conference will be devoted to progress report on advanced polymeric materials, with the special emphasis on nanostructured polymer systems.

## THE PROGRAM

The program of meeting will cover plenary lectures and two poster sessions.

As traditional for GSP and POLYMAT meetings, the majority of presentations will be in poster format. There are no limitations concerning topics and subjects of the presented posters, however, the space may limit their number. The space will be assigned on the "first come, first served" basis.

Researchers in all areas relevant to the subject of the meeting, are invited to submit abstracts of posters.

Exhibitors and sponsors are encouraged to participate by reserving booth space, and becoming a sponsor.

Please keep visiting our website for new information as it becomes available.

We are looking forward to meeting you in Zabrze.

## VENUE AND LANGUAGE

The conference will be held on 27-28<sup>th</sup> of June 2016 at Hotel Diament Conference Centre, Zabrze.

The language of the meeting is English.

## INVITED SPEAKERS

Following distinguished speakers kindly accepted the invitation to deliver lectures:

Christopher Barner-Kowollik  
Karlsruhe Institute of Technology, Germany  
*Advanced light driven reaction protocols as powerful tools in macromolecular material design*

Richard Hoogenboom  
Ghent University, Belgium  
*Functional poly(2-oxazoline)s for biomaterials*

Axel Müller  
Johannes Gutenberg University, Mainz, Germany  
*Multicompartment nanostructures of ABC triblock terpolymers inspired by the cell*

Jean-Francois Lutz  
Institute Charles Sadron, Strasbourg, France  
*Sequences, codes and polymers*

Stergios Pispas  
National Hellenic Research Foundation, Athens, Greece  
*Self-assembled nanostructures involving block poly-electrolytes*

Daniel Taton  
University of Bordeaux, France  
*Polymerization of methacrylic monomers induced by N-heterocyclic carbenes and by metal-free Lewis pairs*

Christo Tsvetanov  
Institute of Polymers, Bulgarian Academy of Sciences, Bulgaria  
*Temperature-responsive polymer mesoglobules as templates for fabrication of nano-capsule carriers*

Yusuf Yagci  
Istanbul Technical University, Turkey  
*New photochemical approaches for macromolecular synthesis*

## CONFERENCE FEE

The regular conference fee is 690 PLN. The fee for students including PhD students is 440 PLN (proof required). The fee includes participation in symposium events, access to symposium WiFi network, coffee breaks and lunches, symposium dinner.

The participants are kindly requested to pay the conference fee not later than **June 3, 2016**, to the account:

## REGISTRATION

Those interested to participate in the conference are kindly requested to register by the website before **May 20, 2016**.

The deadline for abstract submission is **May 20, 2016**.

## ACCOMMODATION

The accommodation has to be arranged by the participants itself.

HOTEL DIAMENT is the main conference hotel.  
Address: 3-go Maja 122A, 41-800 Zabrze  
<http://www.hotelediament.pl/pl/park-hotel-diament-zabrze.html>  
There will be a discount for conference participants

The list of other recommended hotels can be found on the conference website.
